Newly Released Wines for Summer Pleasure

Whites for Sipping and Enjoying with Lighter Fare

Concord, CA – As the summer season fast approaches, and lighter fare takes on renewed enthusiasm, Oak Grove is proud to announce their newly released white wine line-up:

- 2007 Oak Grove Reserve Pinot Grigio
- 2007 Oak Grove Reserve Sauvignon Blanc
- 2007 Oak Grove Reserve Viognier
- 2007 Oak Grove Reserve Chardonnay

What could be more stately and picturesque in the middle of a vineyard than an oak grove? Having stood all tests of time, while enjoying a prolific wealth of fortitude, an oak grove gives back to the land in more than full measure. It's these qualities of strength, endurance, and virtue that gave Oak Grove Reserve Wines its name.

Once the inspiration took seed, the next step was to find high quality fruit. And so, it was decided that Oak Grove Reserve Wines would be produced primarily from fruit grown in the Central Coast viticultural regions of California. Most notable wine regions are Monterey, Arroyo Seco, and Paso Robles.

Since its launch in 1999, Oak Grove has taken great pride in searching out the finest grapes from California's cool appellations. This effort has resulted in rich, fruit forward wines that are crisp, refreshing, and very palate-pleasing. They're also very affordably priced at \$7.99 per bottle/variety, and are nationally distributed.
