

APOLLONAIRE

A Carolinas Food and Wine Magazine

2005 Oak Grove Petite Sirah

Dense and concentrated, this is another big wine from California's cool coastal regions that will bring out the best in hearty dishes. The wine is purple-black with an oaky nose. It shows delicious fruit — cherries, plums, currants, and berries that explode on the palate. Brown sugar and molasses complete the experience. The finish is long and lingering.
