

## 2017 OAK GROVE VINEYARDS WINEMAKER'S ROSÉ

This wine is blend of pinot grigio, barbera, chardonnay, chenin blanc and muscat. It comes in at 10.8% ABV.

The wine showed a pale pink color. Cherry, strawberry, jasmine, peach and lemon all arrived on the nose. Cherry, strawberry, watermelon, peach, lemon, tangerine and currant followed on the palate where the red berry fruit married with the citrus and stone fruit. The wine exhibited good acidity and balance, along with great structure and length. This wine would be an excellent aperitif served alongside figs stuffed with gorgonzola and wrapped in prosciutto.

More to come from Oak Grove Vineyards!
