4 California Red Values

James Laube

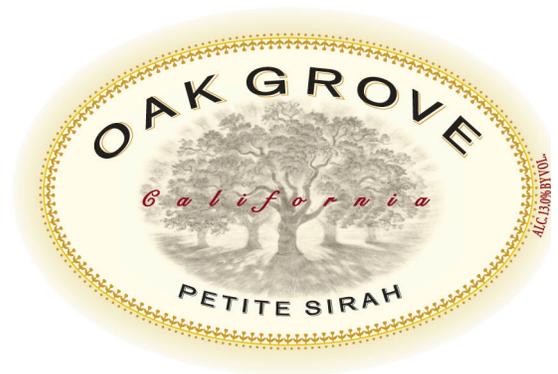

This week's Tasting Highlights features very good California reds that represent excellent value from the Golden State.

OAK GROVE Petite Sirah California Reserve 2008 Score: 86 | \$8

Bursting with ripe berry flavors, with cola and cedary details. This has smooth tannins and a core of fruit flavors, with a licorice note on the finish. Drink now through 2017.

3,000 cases made.
